Work Experience

- **KPMG Taseer Hadi & Co., Chartered Accountants (A member firm of KPMG International) – November 2011 to date.**

  I am currently affiliated with the audit and Assurance department working in the capacity of a semi-senior, Audit. I have been involved at variety of clients, as part of the audit team, working on different heads of accounts and coordinating with the client management at all levels. My responsibilities include execution and completion of statutory audits and other assignments which entail application of International Standards on Auditing (ISA) and other local requirements for audit purposes and ensure compliance of International Financial Reporting Standards (IFRS) and other statutory requirements by the client. During my tenure, I have been involved at the following corporate clients:
