Teresa King Kinney

~

Dear Fellow MIAMI Realtor,

I can't think of a better backdrop than MIAMI's 90th year to tell you about a special deal I've just struck for members of the MIAMI family.

I am so excited about the deal, I have even volunteered to bear all the expenses of informing all our MIAMI realtors about it!

The letter has all the details.

Sincerely,

. . . when you say "YES!" to the protection and benefits of Florida-licensed *ProMed* Prepaid Health and Discount Medical Plan . . .

Dear MIAMI member,

Unlike REALTORS® Core Health Insurance or any other typical health insurance, the ***ProMed*** Prepaid Health and Discount Medical Plan does not . . .

- ***impose*** *a limit on the number of doctor visits you and your loved ones can make each year . . . or . . .*

- ***force*** *you to bear the burden of deductibles and co-insurance*

These are significant advantages when you consider doctor visits made up 33% of an insured family's overall health care costs in 2011—outpatient expenses alone were 17%.[1]

DOCTOR VISITS

15,000+ ProMed families already save $105-$110/visit

You'll be surprised to learn how little you *actually* pay for doctor visits when you and your loved ones are protected by ***ProMed***:

- ***Visits to primary care physicians:*** *$10 each. Non-members regularly cough up $120.00 per visit.*

- ***Pediatrician visit for a child under 1 year:*** *$15. Non-members: $120.00.*

- ***Discounted specialist visits:*** *As little as $35 each. (Specialists include cardiologists . . . endocrinologists . . . dermatologists . . . psychotherapists . . . neurologists . . . chiropractors . . . gynecologists/obstetricians . . . midwives . . . nephrologists . . . surgeons . . . urologists . . . speech therapists . . . acupuncturists . . . counselors . . . ophthalmologists . . . physiotherapists . . . psychiatrists . . . audiologists . . . gastroenterologists . . . .)*

What's more, ***ProMed*** plans start at just over $2 a day for an individual. Yes, $2 a day. And there are no contracts.

The best thing is pre-existing medical conditions don't matter one bit . . . !

ProMed's job is to help you and your family stay on top of your wellness with little effort and minimum expenses.

- -

"Health care costs continue to climb much faster than overall inflation.
The health economy acts as if it's a boom economy."[2]

- -

Listen . . . if you are wondering why you have never heard of ***ProMed*** until today, it's because big-shot insurers can afford to burn millions to market and advertise themselves.

In stark contrast, ***ProMed*** relies mostly on satisfied members and local agents to spread the word.

If you don't want America's health care crisis to break into your home, please continue reading to find out why ***ProMed*** protection makes sense for you and your family . . .

EMERGENCY AND HOSPITALIZATION

Maximum $43,750 yearly benefits

ProMed's companion Hospital Indemnity Plan is neither comprehensive major health insurance nor a Medicare supplement.

Yet, it provides benefits of up to $43,750 per plan year, per member.

The Hospital Indemnity Plan can beef up the protection offered by REALTORS® Core Health Insurance or any comprehensive major health insurance.

Incidentally, inpatient expenses alone accounted for 31% of an insured family's total health care costs last year.[3]

Maximum yearly benefits include:

- ➔ ***Hospital confinement benefit:*** *$1,000 per day for up to 5 days . . . and a total maximum of $20,000 from 6 to up to 45 days.*
- ➔ ***Intensive care:*** *$500 per day for up to 30 days.*
- ➔ ***Hospital inpatient surgery:*** *$3,000.*
- ➔ ***Anesthesia for hospital surgery:*** *$750.*

The Hospital Indemnity Plan also includes unlimited consultation through ***ProMed***'s 24/7 toll-free Nurse Line.

Unlike comprehensive major health insurance, the Hospital Indemnity Plan demands neither medical records nor physical examinations.

Nobody is denied protection.

The Hospital Indemnity Plan even accepts those with pre-existing medical conditions* and dependents, even if parents or legal guardians are not yet members.

There are no deductibles or any co-insurance to deal with. Benefits are paid directly to you if you don't assign a provider as the beneficiary.

The Hospital Indemnity Plan is available through participating hospitals in all 50 states.

If you choose to sign up for the optional Hospital Indemnity Plan, a ***ProMed*** agent will contact you on a priority basis soon. More information in your ***ProMed*** welcome pack.

To sign up, call X-XXX-XXX-XXXX toll-free or fill out the enclosed ***ProMed*** Membership Application Benefits Certificate and send it to: ***ProMed***, Dept. ___, 3389 Sheridan Street, 183, Hollywood, FL 33021 . . . without delay.

PRESCRIPTION DRUGS

$4 for a 30-day supply

ProMed's RxSavings Plus program gives you access to more than 60,000 pharmacies nationwide, including:

• Albertsons • BJ's • Costco • CVS • Kmart • Navarro • Publix • Rite Aid •
Sam's Club • Target • Walgreens • Walmart • Winn-Dixie

While health insurance holders typically pay $10 for a 30-day supply, as ***ProMed*** members you and your family can have your prescriptions filled in for as little as $4. Prescriptions may even be filled in by mail order.

ProMed also covers contraceptives.

Last year, hundreds of thousands of families spent $15 out of every $100 they spent on health care to fill in their prescriptions.[4] As ***ProMed*** members, your family will never meet the same fate.

More than 15,000 families already enjoy the protection of ***ProMed***. I urge you not to deny yourself and your loved ones the protection of ***ProMed***.

Sign up right this moment.

Call X-XXX-XXX-XXXX toll-free or fill out the enclosed ***ProMed*** Membership Application Benefits Certificate and send it immediately to: ***ProMed***, Dept. ___, 3389 Sheridan Street, 183, Hollywood, FL 33021.

MEDICAL EMERGENCIES

49 Urgent Care Centers in the tri-county area

Unlike REALTORS® Core Health Insurance, ***ProMed*** does not impose annual limits on urgent care visits.

Also, you never have to deal with any deductibles first—as is the case with health insurance.

ProMed members have access to 49 urgent care centers right here in the tri-county area.

What's more, members residing in the Miami-Dade and Broward counties have the 24/7 option of summoning a doctor home for urgent medical care. Home visits cost no more than $100 a visit.

By the way, I've made it more affordable (and rewarding) for MIAMI members to put ***ProMed*** to the test.

So, please call X-XXX-XXX-XXXX toll-free or fill out the enclosed ***ProMed*** Membership Application Benefits Certificate and send it to us . . . **right now**.

MATERNITY BENEFITS

Packages start at just $2,800

REALTORS® Core Health Insurance does not cover maternity. On the other hand, health insurance plans require the insured to wrestle the deductibles demon first.

As a ***ProMed*** member, you or a loved one have not one but two maternity options: 1. Birthing Centers, and 2. OB/GYN.

The first option costs as little as $2,800 and includes prenatal care. Without ***ProMed***, prenatal care alone would cost much, much more at a birthing center!

- -

"More than two women die every day in the USA from complications of pregnancy and childbirth. Approximately half of these deaths could be prevented if maternal health care were available, accessible and of good quality for all women in the USA."[5]

- -

A birthing center package includes prenatal vitamins . . . all routine lab tests . . . 2 sonograms . . . vaginal delivery at the birthing center or home . . . 1 postpartum home visit and 4 birthing center visits . . . **and** phenylketonuria (PKU) and hearing tests for the baby.

The OB/GYN option starts at $5,185 and covers OB/GYN and pediatric visits . . . anesthesiology . . . analysis . . . **and** inpatient vaginal or C-section delivery. ***ProMed*** members can choose their own OB/GYN. Home birth option is also available.

Your welcome pack has all the details.

Act right away on your decision to sign up. Call X-XXX-XXX-XXXX toll-free or send the enclosed ***ProMed*** Membership Application Benefits Certificate to: ***ProMed***, Dept. ___, 3389 Sheridan Street, 183, Hollywood, FL 33021.

DENTAL CARE

Included . . . at no extra cost

Yes, ***ProMed*** includes all dental procedures at no extra cost.

Procedures include diagnostic services, crowns, peridontal treatment, oral surgery, dentures and even emergencies.

Plus, all dental procedures are available to ***ProMed*** members at discounted rates in the tri-county area itself.

So, instead of paying $4,982 (total average cost quoted by major Florida insurers for 13 dental procedures), ***ProMed*** members pay less than half: $2,486 only.

While non-members pay from $84 to $1,359, ***ProMed*** members (15,000+ families and counting) pay from $0 to no more than $679 for the same procedures!

You can expect to save from 25% to 84% on dental procedures! Savings average 48%.

(See the P.S. for details about how you can save $30 right away.)

4 FREE gifts and 2 bonuses are waiting for MIAMI members like you. Call X-XXX-XXX-XXXX toll-free or fill out the enclosed ***ProMed*** Membership Application Benefits Certificate and send it to: ***ProMed***, Dept. ___, 3389 Sheridan Street, 183, Hollywood, FL 33021. Please don't delay.

By the way, members are entitled to a basic cleaning and oral evaluation anyway as part of ***ProMed***'s . . .

4 DIAGNOSTIC TEST PANELS

Fully reimbursed and for all ages

ProMed members are entitled to 4 fully reimbursed diagnostic panels.

And unlike REALTORS® Core Health Insurance, ***ProMed*** does not impose any annual limits on the number of discounted tests.

7 of the 8 ***ProMed*** panels also cover doctor visits. Besides panels for all ages, ***ProMed*** also offers 1 special panel each for people aged 35+, 40+ and 50+. ***ProMed*** also offers dental (basic oral evaluation and cleaning) and pap smear panels.

The best part is there's never any question of co-insurance or deductibles.

Don't delay. Your pre-activated ***ProMed*** membership cards are included in your welcome pack. The application process itself lasts just a few minutes.

Call X-XXX-XXX-XXXX toll-free now.

Or if you prefer, simply fill out the enclosed ***ProMed*** Membership Application Benefits Certificate and send it to: ***ProMed***, Dept. ___, 3389 Sheridan Street, 183, Hollywood, FL 33021.

18 LAB TESTS . . . EKG . . .
AND 6 RADIOLOGY & 3 ULTRASOUND SERVICES

ProMed members save $20 to up to $250

While non-members pay on average $1,040 or more, ***ProMed*** members pay just $350 for 18 laboratory tests ranging from a $30 electrolyte test through to the most expensive $120 conventional pap test. You save all of $690.

Some discounted tests cost as little as $10.

Another advantage is that because some ***ProMed*** network doctors are also equipped to do the tests themselves, you also save time.

- ***Radiology services and mammograms*** *cost no more than $85. You can save up to a maximum of $370 on average or up to 70% off the average total cost.*

- ***Ultrasound:*** *You save up to $510.*

- *An* ***EKG*** *costs all of $20. You save no less than $65.*

Also remember that fees for some tests are reimbursed—costing you nothing! See '4 DIAGNOSTIC TEST PANELS' section above.

ProMed neither limits the number of tests (like REALTORS® Core Health Insurance) nor does it involve deductibles (like health insurance).

Ready to sign up?

Call X-XXX-XXX-XXXX toll-free or fill out the enclosed ***ProMed*** Membership Application

Benefits Certificate and send it to: ***ProMed***, Dept. ___, 3389 Sheridan Street, 183, Hollywood, FL 33021. Why delay!

MEDICAL EQUIPMENT . . . LASIK . . . GLASSES
. . . CONTACTS . . . HEARING AIDS . . . AND MORE

Convenience for all

ProMed members can even mail-order discounted diabetic supplies at no extra cost. All orders are priority mailed to your address.

You can also mail-order other discounted equipment such as heating pads, vacuum therapy devices and blood glucose monitors.

You are also entitled to eye^ and ear tests . . . glasses^ . . . disposable contacts^ . . . hearing aids (loaners also available) . . . and even Lasik surgery^ . . . all at discounted rates.

Unlike ***ProMed***, health insurance typically does not cover glasses and hearing aids. The insured also need to meet deductibles first before they can access eye and ear care. Eye and ear products and services are not covered at all by REALTORS® Core Health Insurance.

Why not sign up to test-drive ***ProMed*** right away? In the unlikely event you are not fully satisfied, you can cancel membership without any obligations.

Pick up the phone and call X-XXX-XXX-XXXX toll-free.

Or grab a pen and fill out the enclosed ***ProMed*** Membership Application Benefits Certificate and send it to: ***ProMed***, Dept. ___, 3389 Sheridan Street, 183, Hollywood, FL 33021.

NO APPLICATION FEE . . . NO CONTRACT . . .
NO WAITING PERIOD

Sign up for ProMed protection—pay just the 1st month dues (others pay 2 months)

Pay just the 1st month dues and you and your loved ones can start enjoying all the benefits of ***ProMed*** membership **immediately** after you receive your welcome packs. (REALTORS® Core Health Insurance makes you wait 30 days. Even other health insurance may have a 30-day waiting period.)

Please don't delay.

- -

"It's simply wrong that in a country in which billions of dollars are spent each year on health care, many millions of people still can't access it."[6]

- -

ProMed does not require risk underwriting of an applicant's medical history. And unlike health insurers, ***ProMed*** neither charges higher rates because of past or current health conditions . . . nor subjects members to deductibles and co-insurance, which can quickly add $1,000s to health insurance policy costs.

ProMed dues are based only on age and number of household members, regardless of any pre-existing medical conditions.
