ONTIER LEGAL, S.C.
Financial Statement Notes
As Of December 31st 2022 and 2021

1) CONSTITUTION AND PURPOSE

Ontier Legal, S.C.,was constituted on December 12th, 2012, and its main activity is to provide professional legal services on any subject; among others, civil, penal, labor, fiscal, financial, administrative, audit and trade, as well as producing studies, projects, formalities and everything related to judicial matter.

The Company currently has 12 employees.

2020 began with the COVID 19 outbreak in China, with confirmed cases in Mexico, where its spread caused that (during 2020) the United States of Mexico (Mexican Government) established preventive measures to mitigate the health contingency. These measures have mainly consisted on diminishing the population's mobility through quarantine (among others), having as consequence the affectation of the general operation and the economy of the country.

Since the viral outbreak, we have been continually following its current impacts, as well as its possible short and medium term effects. Our main concern has always been to be able to guarantee the health and well-being of our employees, clients, and all of the people that
