We are an ISO 9001:2000 Certified Company based in Ahmadabad, India. We are providing our services in Website designing & development, web portal and web application. We will fulfill your requirement with 100% satisfaction.

DJ's Outsourcing has experienced professionals, who are dedicated to provide complete and accurate services to our worldwide customers at the lowest possible cost and turnaround-time. Our teams work very hard to meet or exceed client's expectations.

DJ's Outsourcing offers most comprehensive range of high quality and low cost services ideally suited to every volume range applications. We have skilled and experienced teams to efficiently handle any type of complex data with extreme dynamism.

[1.1] Quality Standards

DJ's Outsourcing began the ISO initiative for process mapping and we are an ISO 9001:2000 certified company. As part of the ISO initiative we laid out institutionalization of Quality Management Systems (QMS), formal project management, review and control procedures, formal methods for software engineering practices and formal process change mechanism.

What it means for you:

Better project management leading to reduced incidence of time and cost overruns (cost savings up to 40% with faster time-to-market upto 70%)
